

1. What is it that you need or could make the market more ideal for you?

We have like five vacant locals that they should have rented, we need to fill those spaces up, with new vendors and different type of merchandise and ideas, and also we need music, at least once a week, we will very much welcome it.

2. Ideally, how do you imagine art could be of use to you?

Art is very important, I have the art of selling, art of promoting and also I have a manual art, I collaborated with Cuchifritos where I have in exhibit a doll which I made on a roll of toilet paper, also my son carved a pilon (mortar), and it is as well part of the exhibition of Cuchifrito, and I am always happy to participate with any art related themes.

3. What is your ideal relationship/connection to others in the market?

I feel that a reunion once a month could be wonderful. for example if one of the vendors has a problem and he needs help, in the reunion someone can come out with a help or solution, I think that having that contact it is very important.

IDEAL ART FOR THE MARKET

1. Que es lo que usted necesita o que podría hacer este mercado para que sea mas ideal para usted?

Que renten todos los locales porque tenemos como cinco sitios vacios, necesitamos llenarlos y que vengan nuevas personas con diferentes tipos de mercadeterias y ideas, y tambien musica nos vendria muy bien por lo menos una vez a la semana.

2. Idealmente,como usted se imagina que el arte pueda ser de alguna utilidad para usted?

El arte es muy importante, yo tengo el arte de vender, de promover y tambien tengo el arte manual, yo colabore con Cuchifrito y tengo en exposicion una muneca la cual disene de un rollo de papel higienico, tambien mi hijo tallo un pilon (mortero), que tambien es parte de la exposicion de Cuchifrito, y yo siempre estoy muy contenta de participar con cualquier tema de arte.

3. Cual seria su relacion o su vinculo ideal con las otras personas de este mercado?

Yo siento que una reunion una vez al mes nos vendria de maravilla, por ejemplo si alguno de los vendedores tiene algun problema y no sabe como solucionarlo, en la reunion alguien daria una solucion, yo creo que es muy importante tener ese contacto.

1. What is it that you need or could make the market more ideal for you?

Ideally all the vendors should wear an uniform, it could give a much better appearance, and also this market needs music and adequate and permanent music, and perhaps extend the market hours until 7pm.

2. Ideally, how do you imagine art could be of use to you?

Art is personal, has to be something that a person likes and enjoys, and somehow helps to relax, and also I think that could help to develop more business, for example if people goes to see a work of art they became content, and when people are happy they have the tendency to spend more, for that reason I think that art is of a good use.

3. What is your ideal relationship/connection to others in the market?

Ideally I would like to organize reunions with all the vendors and try to get to know each other in a different level, we can have parties, or go on walks, that I would like, to know them out of the market and be friended with their families, and why not.

3. Cual seria su relacion o su vinculo ideal con las otras personas de este mercado?

Idealmente me gustaria organizar reuniones con todos los vendedores y tratar de conocernos en otro plano, hacer fiestas or ir de paseo, eso me gustaria, conocerlos fuera del mercado y hacer amistad con sus familias, y porque no.

2. Idealmente,como usted se imagina que el arte pueda ser de alguna utilidad para usted?

El arte es algo personal, tiene que ser algo que le guste a la persona y disfrute, y de alguna manera ayuda a relajarse, y tambien pienso que puede traer mas negocio por ejemplo si las personas van a ver una obra de arte se ponen contentas, y cuando la gente es feliz tiene la tendencia de gastar mas, por eso yo pienso que el arte es de buen usu.

1. Que es lo que usted necesita o que podria hacer este mercado para que sea mas ideal para usted? Idealmente si todos todos los vendedores llevaran uniformes, daria una apariencia mejor, y tambien que haya musica adecuada y permanente, y tal vez extender las horas del mercado hasta las 7pm.
